(Signature and Date)RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

ASSISTANT COMMISSIONER FOR PATENTS  
WASHINGTON, D.C. 20231

Dear Sir:

In a Notification of Missing requirements under 35 U.S.C. § 371 issued on May 30, 2002, a copy of which is attached hereto, the United States Patent and Trademark Office (USPTO) asserted that the current oath or declaration filed in the instant Application does not comply with 37 CFR § 1.497(a) in that it is not executed in accordance with either 37 CFR § 1.66 or 37 CFR § 1.68.

In response, Applicants respectfully submit that an executed declaration which identified the application by the international application number and international filing

date was indeed filed with the United States Patent and Trademark Office in this matter on May 11, 2001. Furthermore, on January 7, 2002, Applicants submitted an executed supplemental declaration in order to claim priority from French application FR 98 07068.

In support of Applicant's position, submitted herewith are copies of the following:

- (a) the executed declaration filed May 11, 2001 with the United States Patent and Trademark Office;
- (b) the transmittal letter of May 11, 2001 indicated the submission of the executed declaration;
- (c) the return postcard confirming the USPTO's receipt of the executed declaration filed May 11, 2001;
- (d) Submission of the supplemental declaration and power of attorney filed January 7, 2002; and
- (e) The executed supplemental declaration and power of attorney filed January 7, 2002.

#### *Fees*

Since it is Applicants' position that the Notice mailed on May 30, 2002 was erroneously issued in light of Applicants' previous submission of an executed Declaration, no fees are due for this response. However, should this be erroneous, authorization is hereby given to charge Deposit Account No. 18-1982 for any underpayment, or credit any overages.

CONCLUSION

In light of the copies of documents submitted herewith, Applicants have indeed completed the requirements for the above-identified Application under 35 U.S.C. § 371, and request that the instant Application be granted a 35 U.S.C. § 102(e) date of May 11, 2001. Early and favorable action on the pending Claims is respectfully solicited.

Respectfully submitted,
